The CIRCLES™ Program

The CIRCLES Program teaches individuals how relationships can be formed and maintained according to the social norms of the day. It’s okay to hug your mom, but it’s not okay to hug the mail carrier.

Social Skills Program

Does your child have difficulty making and keeping friends? Dealing with frustration and anger? Resolving conflicts with peers/siblings?

Sib’s Place

A support group for siblings and peers of children with Autism Spectrum Disorders and other Developmental Disabilities.
