December 2023

To Whom It May Concern:

This letter is written to convey the wonderful service that The Uncommon Thread has provided to the Hopatcong School District since November 2018. They have provided us with high quality professionals who have come to us with a wealth of knowledge. Over the years, we have contracted the following staff members: special education teacher for a primary multiply disabled class due to a leave of absence, paraprofessional for a multiply disabled behaviorally challenged student to assist with his transition to our district, and a Board Certified Behavior Analyst (BCBA). All of these professionals quickly acclimated to our district, provided excellent supports for our students, and freely shared their knowledge with our staff. The Uncommon Thread administration continually follows up to ensure that their staff members are meeting the needs of our district. This is done via email, phone conversations, and on-sight visits.

The Hopatcong School District is extremely thankful for the services of The Uncommon Thread and recommend them to others without reservation.

Sincerely,

Tammy L. Miller
Director of Special Services
